

5th Grade Benchmark Scores

Name _____

Teacher _____

All students at Alamo City School are screened three times a year using the STAR Math and Reading test. This is one test that helps identify how students are progressing in necessary reading and math skills. Your child's performance on this test is as follows:

	Student Performance	Fall Benchmark	Student Performance	Winter Benchmark	Student Performance	Spring Benchmark
Reading						
Scaled Score		707		779		846
Math						
Scaled Score		711		739		767

Parent Signature: _____
 Fall Winter Spring
